

This chronological list of 362 times and places that expelled Jews was copied from <https://eldiariodeadolf.com/en/expelled> on 4-9-19. These facts plus historic details come from research by a grandson of German immigrants to Argentina after WW2.

In mid-2019, the website's ongoing research stopped posting new findings to the chronological list but continued to add new times & places to their interactive world map.

By 9-24-20, there were 585 expulsions posted on the map. Shortly after, the website was offline or blocked. The list below does not include 223 newly found expulsions.

I also copied: <https://eldiariodeadolf.com/en/synopsis> and <https://eldiariodeadolf.com/en/the-talmud>. Quotes from the 63 books and 524 chapters that form the basic body of Jewish laws and traditions.

If you have contact info for web-creator Vicente G, please leave a comment on this site or inform him of this list. It might be useful to him in case of failed backup. It's also possible he is not aware of Time Machine, <https://web.archive.org/>

I expound on the next paragraph's key statement in bold in "Purge the Jew Poison."

History has not changed, the difference between the present and the past is that demons have much more power and control today than they did centuries ago. The human being instinctively expelled the demons as if it were a disease of the Earth, nowadays that disease facing humanity and the Earth is more difficult to expel as it was perfected and took the most important organs of the planet (economy, society, culture, art, religion, banks, sports, music, governments, science, natural resources, education and a long list).** Until now, the official figure of 109 was circulating as the total number of expulsions throughout history, very low for two millennia of parasitism, usury and genocide. At The Diary of Adolf, we offer the only interactive map that demonstrates hundreds of devils' expulsions over the past almost 3,000 years. The information provided in this article comes from real and verifiable sources such as, authors from the same town whose "race"

was expelled, books from researchers and other official websites.

[NOTE: Misc. found on ElDiarioDeAdolf at end of expulsions list or other related sites. The awkward syntax is likely produced by google's auto translate from Spanish to English. The writer's psycho-babble worldview is apparently shared by a depressing number on the world's fringe. This is included with the above list of expulsions to demonstrate one major reason the Jew Problem has not been solved for thousands of years.]

Copied from [Spanish] website The Diary Of Adolf interactive world map flags where Jews were expelled. This chronological list was below the map until the web-creator or

Google removed in May?, 2019.

See: <https://eldiariodeadolf.com/en/expelled>

I counted 356 expulsions after I copied the list (July?) but site had a different # ("328 veces {times} compartido" {shared}). In Sept.'19 site had 356 which confirmed my count. On 10-4-19, site says 375 "veces compartido" so he added 19 more peoples who expelled Jews in a few months. Funniest, is "expelled" is frequently used as a synonym for murdered or assassinated.

Editorial DDLA 7x02 - The Jewish People

The Jewish people

I spoke to them in the first program, being the true ideologues and perpetrators of the crimes committed against the indigenous peoples of the so-called "new world".

I want to make it clear that if you go wrong unemployed is its own merit. It is very comfortable and convenient, the role of victims who often take. But if we take as an example the conflict with the Palestinians, we can appreciate its true nature.

I also want to make clear that talking about the Jewish people, I will focus on a religious sector of ethnicity (handler and programmer).

In any attempt now make a value judgment to an ethnic group, race or creed, but expose

the truth as it is, with the initial intention of revealing the hidden and the ultimate purpose to know the truth, to raise awareness of the true and dangerous world plot of sinarcas ?? shadows of Kabbalah.

This town was chosen by their genetics as the most suitable to fulfill the purpose of an egocentric "god" cruel and vengeful called YHWH, which is a lesser god belonging to the descendants of an alien race, known biblically as Elohim. The descendants of the Elohim, were the Nephilim, who were the first Egyptian pharaohs. Well, Jeová, or Yahweh, choose one of the races to be the executor of your desires and create a collective unconscious that worship him and fulfill his will, delivering energy and other fluids to quench their desires dark. When the Hebrew people, ie the twelve tribes that make it up, make a covenant with Yahweh / Jehovah, his representative ASBaphometo Moses delivered power through the algorithm of Kabbalah. With this power kicking off the agenda of domination which is still active today.

Jews are not from Judea but Sion, and finished his course in Europe (still known as Ashkenazim) where they arrived after the so-called exodus, expelled for being a cruel and corrupt demons, by his total lack of empathy for their practices inhuman and perverse. These demons were expelled from Egypt and not only pursued to the Red Sea by the troops of Pharaoh, but by the same Egyptian people to make sure they crossed the sea and never returned. Then they wandered 40 years in the wilderness to travel a few kilometers because nobody received them on their land, they knew what they were and why they were not welcome anywhere. They were expelled from all land which expelled came as Pharaoh and the Egyptian people, because they were warned by the Pharaoh that they were demons, not humans. Later,

These Zionist Ashkenazi then used deceit and lies to carry out its purpose dark and macabre ultimate goal, colonize the entire planet on behalf of your jehovabaphomet God, using any means to achieve an end regardless of the cost of humans that this will bring. They began by using suffering as a tool of protection, raising the flag false being a weak people and abused, used as a shield of suffering the Holocaust fake six million, repeated again and again in all ages of history that had opportunity. Thousands of Jews died allegedly massacred in Egypt by Pharaoh, six million died in the Holocaust of World War I, six million died in the Holocaust of World War II,

Holocaust is what made them human, with all humanity, killing hundreds of millions, becoming extinct races and cultures whole, aboriginal, Palestinians, Christians, Muslims, black, white, yellow, coppery, to all who put on their way. They do not mind the human, for them we are garbage GoYin, only care achieve their final task, the total domination of humanity.

As a people chosen to implement the pact with Jeová Bafomet, individually, manipulate us with fear, insecurity, violence, suffering and thousands of energies rather than used as persuasive tools, as well as serve as food for demons and large-scale extort and manipulate entire countries running the Kabbalist agenda of world sinarquía.

Our stupidity, laziness, apathy and inaction, and took the world and thousands of millions of humans, are already in power in government, economics, music, art, movies, multinational, science, educational systems, health, security, cameras are on every corner, in our phones, our TVs, our computers, our documents, records and registers. They control everything.

We have swallowed his lies and have perpetuated, passing them from generation to generation. Meanwhile, they continue to strengthen its system of control and domination, keeping the prisoner and enslaved humanity, so that these demons and their god repulsive, may exist on this planet.

It is essential to be aware of the real situation, not to deliver an iota of energy and use it to maintain and increase our own Octane, which will help us to octaves start and intact finish as much as possible, and representatives, masters and the pact lose power to the not feed us. A short while for the game to change the truth of all this comes to light. If we want to accelerate that time, now more than ever we operate. Finding our own truth, and move through our own certainties. Use will be consistent, clean and considerate, and feeling part of everything.

Of course, it is up to you the last word. We do not pretend to believe us, do not, but if we removed something inside, investigate, and creanse yourselves. For my part, nothing more, I say goodbye until next program. Until then, greetings and happy existence.
